Brunswick-Camden Through Service

NEW service directly connects Frederick and Montgomery Counties with College Park, Laurel and downtown Baltimore

MARC Train introduces a new direct MARC service connecting the Brunswick and Camden Lines, allowing riders to travel directly between Brunswick Line stations and Baltimore's Camden Station without transferring at Washington Union Station. The service directly connects Brunswick, Point of Rocks, Barnesville, Germantown, Metropolitan Grove, Gaithersburg, Rockville, Kensington, Silver Spring, College Park, Laurel, and Baltimore Camden Station, expanding regional travel opportunities for MARC riders. You can still access downtown Washington, DC via Trains 830 and 831 by transferring to the Washington Metrorail Red Line at Rockville or Silver Spring. Additional destinations in the Washington area may be reached by transferring to the Metrorail Green or Yellow Lines at College Park.

BRING YOUR BIKE ON MARC!

Full-size bicycles, e-bikes, and scooters are permitted on all MARC trains. Board with your bike at either the green "Bicycle Entrance" decal or an illuminated green light on the outside of the car.

Charging of E-bikes and scooters on board MARC Train or at stations is prohibited to ensure the safety of all passengers. This includes charging using an external power source.

Passengers with bikes must have two bungee cords. Railcars identified by the green "Bicycle Entrance" signs (called MARC IV cars) require the use of bungees to secure bikes. **Passengers are not permitted to bring their bikes on a MARC IV railcar if they do not have two bungee cords.** MARC train equipment assignments vary day-to-day, and your train may have any type of MARC rail car, so always travel with two bungee cords. Bungee cords may not be used to secure bikes on the other railcar types, which have built-in bike racks.

Other important rules to note:

- Passengers unable to find an available bike rack must wait for the next train with bike capacity.
- Remove all bags and unsecured items before boarding the train.
- Passengers must load and unload bikes on their own. Conductors cannot assist, including at low-level platform stations.

For full information and rules about bikes on MARC Train, visit www.mta.maryland.gov/marcbikes

Riders transferring to Frederick Transit buses at Point of Rocks or EPTA buses at Brunswick *(noted with "C" in the adjacent timetables)* are encouraged to verify the current schedules prior to travel as bus schedules are subject to change.

CHECK THE FINE PRINT

This area contains special information and instructions.

- **f** Flag Stop, passengers must be on the platform and visible to the engineer, or the train will not stop. Passengers wishing to de-train must notify the conductor when boarding.
- **d** Discharge only stop, passengers wishing to de-train must notify the conductor when boarding. Train may depart ahead of schedule.
- **R** This schedule will be in effect as announced by MTA during inclement weather and other special operating circumstances. Train 872 may not operate on the R schedule in severe weather, especially heavy snow and ice. Check the MTA website prior to travel.
- **C** Connecting bus service - Point of Rocks to Monocacy and Frederick service provided by Frederick Transit, Brunswick to West Virginia service provided by Eastern Panhandle Transit Authority (EPTA). Frederick Transit is free to ride. EPTA passengers must be in possession of a valid MARC ticket, ticket receipt or CharmPass fare to ride the bus or pay the driver the appropriate fare.
- **L** Train may depart up to 5 minutes early.

There will be no MARC Train service on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day. The operational status of the Brunswick Line will be posted on the MARC website (www.mta.maryland.gov/service-alerts) no later than 30 days prior to these holidays: Martin Luther King, Jr. Day, Presidents Day, Juneteenth, Columbus Day, Veterans Day, the day after Thanksgiving, and the last two weeks of December.

TRAVEL WITH EASE ON THE ICC

Several Eastern Panhandle Transit Authority routes, including service to the VA Hospital and other points in Berkeley County (see link and phone number above).
EPTA is planning route realignment and schedule changes in the summer of 2027. Please re-confirm above information prior to travel.

MARC PASSENGER CODE OF CONDUCT

- **For your safety, passengers must be on the proper platform prior to the train's arrival. Passengers who cross in front of, or behind the train while it is at the station will be denied boarding.**
- The conductor is in charge of the train. Follow his or her instructions while riding any MARC train. Please inform the conductor of any service problems you may experience or if you need assistance prior to arriving at your destination.
- Passengers must have tickets out for inspection or collection by any authorized MARC representative. CharmPass users must have the app open and ticket activated when Conductors enter the car to check tickets. When directed by the Conductor, customers must tap the screen on their mobile device to demonstrate the security features of the app. If the customer's device is not working — including a dead battery — or the customer refuses to tap the screen, the ticket is considered invalid and the customer must purchase a ticket from the Conductor, including the on board penalty if applicable. Tickets may be inspected more than once during a trip.
- Improper fare, improper conduct, intoxication, or offensive actions will not be tolerated. Passengers displaying any of these behaviors will not be transported, and will be asked to leave the train.
- Please listen to announcements as they are made for your safety and convenience. Not all doors open at every station. Listen for announcements regarding which doors will open.
- Please do not stand in the aisles when seats are available. Standing is never permitted on stairs or in vestibules. Conductors will direct standing passengers to seats when available.
- No seats are reserved on MARC trains. Please do not inconvenience others by blocking or holding seats with personal items. Please do not place your feet on the seats.
- On all trains, Car 1 (the first car behind the locomotive) is the Quiet Commute Car. This car is intended to have a library-like atmosphere, with no electronic devices or loud conversations. The Quiet Commute Car is to be self-regulated by passengers, not enforced by the conductor.
